PUBLIC NOTICE AND DECLARATION

R. Lindsey-Morgan;Taylor

The record is published: truth stands, fraud falls, and light exposes darkness.

"It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery." — Galatians 5:1

"He canceled the record of the charges against us and took it away by nailing it to the cross." — Colossians 2:14

All affidavits published here in my name are true, correct, and unrebutted. Each has already been served by certified mail; this archive preserves that truth in the public record. Published openly for three days or more, unrebutted, these affidavits stand as fact and cannot be denied.

My family has been subjected to a staged corporate event designed to abuse private trust. The BAR operates only under a presumed grant of authority to direct currency and commerce—fraudulent impersonation of lawful authority. No such license exists. If any person or entity claims otherwise, let them bring forth the specific license or grant of authority they rely upon.

The provider of my household is being held in involuntary servitude under color of law, an act intended to drain our family' s resources and weaken our ability to defend ourselves.

As it is written:
- "For nothing is hidden that will not be disclosed, nor is anything secret that will not become known and come to light" — Luke 8:17
- "Then you will know the truth, and the truth will set you free" — John 8:32

Within hours of filing my Habeas Corpus and Capias Recall, a warrant was issued with no named crime, no location, and no person identified. Under color of law, my home was entered, my devices seized—amounting to theft and denial of access to my entire online identity—and my ability to draft and bear arms instruments restricted.

I am a single mother of two sons, one still an infant. I publish this record so the truth stands in the open for all to see.

Truth is self-authenticating.
